Dear Commissioner:

This communication is reply to the Notice dated October 2, 2008, that considered the Amendment filed May 29, 2008 to be non-compliant for the reason that a “complete listing all of the claims is not present.” In response Applicant points out there was a complete listing of all of the claims, but on review it was noticed that there are several errors in regard to the formatting of three claims: claims 7, 16 and 18. It is understood that these informalities were the basis for considering the claim listing to be incomplete. Applicant thanks the examiner for pointing this out. In accordance with the notice and Rule 121, on the next pages follow a corrected section (**II. CLAIM LISTING**) of the amendment filed May 29, 2008. It is believed that the corrected section submitted herewith is a complete response to the notice.
